

HP Premium Satin Photo Paper

The HP Designjet printing system—the complete solution

HP Designjet printers, Original HP inks and printheads, Original HP printing materials and HP Scitex printers, are designed to work together as a system to provide reliable, consistent results with every print.

See reliable, consistent results.

Give your ideas a photo-realistic finish

Bring concepts to life, move quickly through proofing, make winning presentations. With an excellent color gamut, HP Premium Satin Photo Paper puts a photo-realistic finish on your images—and your ideas.

Produce durable, long-lasting display prints

See beautiful results that last for generations with 50 years display permanence indoors, away from direct sun.¹ Designed together with Original HP inks, this paper is ideal for proofs and photos on HP Designjet T series printers.

Gain versatility, reduce your environmental impact

Do more with your printer—from proofing and presentations to POP and retail displays, this premium photo paper enables greater versatility. And you can look to this FSC®-certified paper to help you meet your environmental goals.

Target customers	Applications	Benefits
Professional photographers	Trade show and event displays	Consistent, accurate color
Pre-press	Posters and presentations	Color stability in less than one hour
Graphic designers	POP and retail displays	50 years display permanence indoors, away from direct sun ¹
Repro houses	Photo enlargements	Application versatility with a wide range of roll sizes
Retail	Proofing	Optimal 240 g/m ² weight
	Art reproductions	Look and feel of photo paper
	Geographic Information Systems (GIS)	FSC®-certified paper

¹ With Original HP 72 inks on the HP Designjet T2300 eMFP series. Display permanence rating for interior displays/away from direct sunlight, under glass by HP Image Permanence Lab and/or by Wilhelm Imaging Research, Inc. on a range of HP media.
