

# Kodak PROFESSIONAL Inkjet Artist Canvas, Matte / 378g

KODAK PROFESSIONAL Inkjet Artist Canvas, Matte Finish is a medium textured, 2-over-1 weave, poly/cotton blend canvas that features a water-resistant matte finish. This high-quality canvas is perfect for fine art and photographic reproductions utilizing the latest dye and pigmented inks.

Properties	Specifications
Material	65% polyester, 35% cotton base
Fabric Weave	2 x 1 weave
Gauge	18 mil
Basis Weight	378g
Whiteness	> 100 CEI
Printer/Ink Compatibility	Compatible with all thermal and piezo inkjet printers using water-based dye and pigment-based inks.
Software Settings	The coating is engineered for more than 300% ink coverage. A Heavy Weight Coated or Enhanced Matte setting is recommended as a starting point. However, a custom ICC profile is ideal for optimal results.
Light-fastness	Inkjet ink fading time is based on the inks you use and the print display environment. Dye-based inks fade noticeably under direct sunlight and interior applications where direct sunlight may fall on the image, and/or where fluorescent or other UV lighting is present. Though fading is inherent in all inkjet inks, certain UV-resistant inks, pigment-based inks, and UV-inhibiting coatings will extend image longevity. For light-fastness data and to determine an ink's suitability for the application, contact the ink manufacturer.
Finishing/Post Processing	No post processing or finishing is required, though a clear fixative may be applied to enhance certain areas of the print.
Optimal Print Environment	66-77° F, 20-60% R.H.
Handling Recommendations	Avoid touching the coated surface and use cotton gloves when handling inkjet coated materials. Rolls of Kodak inkjet media come with the coated side facing out.
Ideal Storage Conditions	70° F (21° C), 50% R.H. (a controlled environment is recommended); store in original packaging.
Shelf Life	1 year from the BMG ship date when stored in proper conditions.

**Product Performance & Suitability:** All of the descriptive information and recommendations for the use of Kodak products should be used only as a guide. Furnishing such information and recommendations shall in no event constitute a warranty of any kind by BMG. All Purchasers of Kodak products shall independently determine the suitability of the material for the purpose for which it is purchased. Seller's and manufacturer's only obligation shall be to replace such quantity of the product proved to be defective. Neither the seller nor the manufacturer shall be liable either in the tort in contract for any loss or damage, direct, incidental or consequential (including loss of profits or revenue) arising out of the use of or the inability to use the product. No statement or recommendation not contained herein shall have any force or effect in agreement signed by officers of seller and manufacturer.
