

Kodak PROFESSIONAL Inkjet Photo Paper, Metallic / 255g - Dry Lab

The next-generation KODAK PROFESSIONAL Inkjet Photo Paper, Metallic / 255g - Dry Lab allows users to produce stunning metallic prints. The metallic, high gloss finish duplicates the characteristics of the KODAK Endura Metallic paper users have preferred for years. This paper is compatible with Noritsu, Fuji and Epson Dry Lab printers.

Properties	Specifications
Material	PE gloss paper
Gauge	255 +/-7 microns
Whiteness	> 130
Printer/Ink Compatibility	Compatible with Noritsu, Fuji and Epson Dry Lab printers.
Software Settings	The coating is engineered for more than 300% ink coverage. A photo gloss, satin or semi-gloss setting is recommended as a starting point. However, a custom ICC profile is ideal to ensure optimal results.
Light-fastness	Inkjet ink fading time is based on the inks you use and the print display environment. For light-fastness data contact the ink manufacturer.
Finishing/Post Processing	It is always recommended that you protect the printed side by mounting under glass, laminating, clear coating, or using photographic sleeves. This will help ensure image durability and stability. Pressure sensitive laminates provide the best bond. Applying the laminate by hand is not recommended.
Handling Recommendations	Avoid touching the coated surface and use cotton gloves when handling inkjet coated materials. Rolls of Kodak inkjet media come with the coated side facing out.
Ideal Storage Conditions	70° F (21° C), 50% R.H. (a controlled environment is recommended); store in original packaging
Shelf Life	1 year from the BMG ship date when stored in proper conditions.

Product Performance & Suitability: All of the descriptive information and recommendations for the use of Kodak products should be used only as a guide. Furnishing such information and recommendations shall in no event constitute a warranty of any kind by BMG. All Purchasers of Kodak products shall independently determine the suitability of the material for the purpose for which it is purchased. Seller's and manufacturer's only obligation shall be to replace such quantity of the product proved to be defective. Neither the seller nor the manufacturer shall be liable either in the tort in contract for any loss or damage, direct, incidental or consequential (including loss of profits or revenue) arising out of the use of or the inability to use the product. No statement or recommendation not contained herein shall have any force or effect in agreement signed by officers of seller and manufacturer.
