

Large Format Printing Materials Product Update

April 17, 2017

Product: HP Super Heavyweight Plus Matte Paper

HP Super Heavyweight Plus Matte Paper, 3-in Core

Part #'s: Q6626B, Q6627B, Q6628B, Q6630B

D9R36A, D9R37A, D9R38A, D9R39A (Aqueous & Latex)

Dear Partner,

The original HP Super Heavyweight Plus Matte Paper base paper was discontinued. We have developed a replacement that performs the same as the original version. Produce full-color graphics and photo-realistic images with this heavy, matte-finished paper with a barrier layer under the top coating that enables ripple-resistant prints. Maintain high productivity with the instant-dry coating.

	New	Previous
Thickness	10.4 mil	10.4 mil
Microns (µm)	264	264
g/m ²	200 gsm	210 gsm
